

Men on a mission - day 4

We did it!

Before continuing, there is still the possibility to explore the themed Alpenpromenade trail. You can learn a lot of interesting facts about Zillertal's history and culture from beautifully designed information boards. Our next stopping point is the "Kotahorn Alm". There is now the possibility to follow the marked hiking trails down to Hainzenberg. Return to Gerlos by bus.

Walking time	03:00 h
Route Length	8.5 km
