# Snowtubing am Gerlosstein

**There are other ways than gliding down the piste with your ski & board. The new snow pleasure in the ski area Gerlosstein in the Zillertal Arena is called "Snowtubing".**

All winter fans can try out this fun in the Zillertal on specially prepared tracks. The ideal complement to a leisurely toboggan run on the Gerlosstein toboggan run. And best of all, the tubing track can be used free of charge and as often as you like.

To use the gondola lift, you need a valid ski pass or an Arena single ticket for pedestrians (ascent and descent), available at the ticket offices of the Gerlossteinbahn valley station.
