Wieserwald TRAIL

Short trail through shady spruce forests

We start steeply uphill from Wald train station along a forest road into the Wieserwald. After some time, turn left at a right-hand curve (signposted Ruine Friedburg) continuing along the forest road. Shortly before the wildlife feeding area, take a great but steep trail downhill to the left towards Friedburg. Once at the bottom, head back towards Wald.

Running time	01:25 h
Route Length	6.79 km
Difficulty	Middle
altitude meters uphill	417 hm
altitude meters downhill	417 hm
highest point	1279 m
Route Start	Wald train station
Route End	Wald train station
