Wildtier Erlebnisweg

The wildlife experience trail Aschau im Zillertal leads through the forest towards Siedl am Distelberg and offers
nature lovers and families an exciting forest experience.

Along the adventure trail, native animals introduce themselves. In addition to the information points, where interesting facts about the animal world can be learned, various wooden animals are waiting to be discovered. The murmur of the nearby torrent is a constant companion on this hike.

Return via the same path or continue in the direction of the Siedl circular trail.
