### Description

The hike along the Gerlos Wiesenweg begins in the Innertal district at the Isskogelbahn car park. Before the Krummbach Bridge, the road leads left past Landhaus Platzer. After approx. 100 m the asphalted road branches off to the right. Always following the Gerlos Wiesenweg uphill, you can reach the "Rössl Alm" in about 1.5 hours. From there a path leads to the mountain station of the Isskogelbahn and on to the Latschenalm. Return on the same route.
