# Bruck - Spitzerköpfl - Fiechter Kapelle - Bruck (Trail No. 6)

Head to the left of the Municipal office, complete a gentle ascent up to Dorfstraße, and then cross this road. Following the signposts, make your way uphill and to the left.  After passing the last of the houses, take the forest road towards the Spitzerköpfl summit. At the junction, turn right and head uphill along the many bends – some of which are very steep – until you reach the rocky peak. A short and easy trail secured with ropes then brings you to the summit cross with fantastic views of the Zillertal valley. Keep following the hiking trail uphill until this merges with the forestry road. Stay to the right and head straight on until you reach the junction leading towards Fiechter Kapelle chapel. Join the hiking trail, follow this downhill to the chapel, and then return to Bruck from there.
