### Description

**From Krimml via the Gerlos Alpine Road to Gletscherblickalm with a wonderful panorama.**

From Krimml, the first section leads via the [Gerlos Alpine Road](#). Once at the pass height, turn left towards Hochkrimml. Here you will be rewarded with a wonderful mountain panorama. On the only slightly ascending path between OT Filzstein and OT Silberleiten, you can gather some strength again before the last section to the quaint [Gletscherblickalm](#) leads upwards again.
