Description

The single trail Wiesenalm offers all adventurous hobby bikers and experienced professionals biking fun at its best. The 5.2 km long track with numerous serpentine, Northshore elements and pumps demands a lot of skill and stamina.

After making a gentle ascent on the Rosenalmbahn lift and getting off at the midstation, bikers can start down the easy/moderately difficult Singletrail, riding mainly forested terrain over a change in altitude of 700 metres, before finally arriving at the bottom station on the Rosenalmbahn.
