## **Description**

The tour from Zell over the Gerlosberg to the Kreuzwiesenalm for almost 15 kilometers in easy ups and downs which leads to the Gerlos ski area (Isskogelbahn mountain station). A varied descent (note: caution, as agricultural vehicles are to be expected here) brings bikers down to Gerlos-Gmünd, from where you can return to the starting point via the main road. Route character: long ascending driveway, flat sections, asphalt, gravel.
