

Promenade run

Route Length	5 km
altitude meters uphill	40 hm
altitude meters downhill	40 hm
highest point	600 m

Description

Circular route on flat, wide paths around the village of Zell following the course of the two main streams

Route profil: Circular route on flat, wide paths around the village of Zell following the course of the two main streams

Surface conditions: gravel tracks, asphalt

Route: Starting at the Freizeitpark Zell (leisure park), the route takes you northwards along the edge of the Ziller (river) to where the Gerlosbach stream joins the river. Follow the Gerlosbach upstream to Kaiserstadt and then continue in a southerly direction to the underpass and on to the Tannerhof where you can cross the fields and meadows back to the Ziller and to the starting point.
