Hoogteprofiel

Beschrijving

Cross the Gerlosbach bridge across from the Hotel Oberwirt and turn left. There the track starts in the direction of Schönachtal, which leads slightly upwards about 2 km to the so-called "Die Hintern". From here, a cleared winter hiking path leads up to the Schönachtal. On the left over the wooden bridge the trail leads back to Gerlos. Shortly before the main road, turn left and then return to the starting point.

?**Highlight:** 1,5 km from the cross country trail are illuminated from 5.00 pm till 09.00 pm
