

445 - Krummbachtal

Beautiful tour into the Krummbach valley, for young and old in untouched nature.

lengte	7.2 km	moeilijkheid	Gemiddeld	Rondvaart	Nee
Hoogtewinst bergop	205 hm	Hoogte bergafwaarts	205 hm	Het hoogste punt	1460 m
startpunt:	Music pavilion Gerlos				
Eindpunt:	Music pavilion Gerlos				

Hoogteprofiel

Beschrijving

From the starting point of the music pavilion, the tour leads past the Iskogelbahn to the Innertal district. It goes slightly uphill towards Krummbachtal. On a gravel road further into the valley you have the option of either cycling up to the Prölleralm or straight ahead to the Krummbachrast. Route character: asphalt, gravel road, watch out for hikers, grazing cattle and agricultural vehicles, moderate inclines.

Hutten/Alpenweiden
