

Hamberg (2095m) from the Gasthof Almluft (Trail No. 37)

Starting from the Gasthof Almluft inn on Gattererberg, briefly head along the forest road until the hiking trail turns off to the right and into the forest. A number of hairpin bends lead you on a moderate ascent up to the Steinbergalm pasture (no refreshment options) and then back into the forest. You will cross the forest road several times during your journey. Below Hamberg mountain, you embark on a gentle hike across treeless terrain – with stone steps guiding you along the final few meters to the summit. The return journey goes back along the same route.
