### Description

#### **Wonderful route to Ronachgeier and Baumgartgeier with a breathtaking view!**

The route starts at the Hotel Ronach on the old Gerlosstraße. From here, the path leads into the Nadernachtal, first through a forest and then over the rustic Putz and Prielalm. Now we are accompanied by a magnificent panorama of the Hohe Tauern, and after just under 2 3/4 hours you reach the Ronachgeier. From there, you can continue walking along the ridge and after another half hour reach the Baumgartgeier, from where you enjoy an equally wonderful panorama!
