

# Women on a Mission Tour- day 1

Warming up & relaxing

## Beschrijving

Before the sporty part of this tour starts in the wonderful Zillertal mountains, you can recharge your batteries for the next few exciting days in the Zillertal Arena. We can relax and unwind in the SPA area at the wellness hotel in Gerlos. Clearing our minds and the anticipation of the exciting tour puts a smile on our faces. The perfect end to the day is the delicious dinner in the evening. Let's try to get enough sleep, because the second day of the Weibsbildertour is going to be sporty and high alpine.
